

## Bacchus Celebrate Tasting

# Let's Get Fizzical!

Summer is nearly here so join us at **Bacchus Beyond** to celebrate the late May Bank Holiday weekend with our showcase of all that's best with bubbles. You'll taste wines from Spain, Italy, Argentina, Germany, South Africa, and (of course!) France alongside the great fizzes available locally. We've decided to leave the Champagne on the shelf and why not given the options of a stunning South African Pet Net to a brilliant French Cremant, and not forgetting Charmat from Bungay and Blanc de Noirs from Loddon. It's the Late May Bank Holiday so **Let's Get Fizzical!**
