

Bacchus Beyond Explore Tasting

Y viva Espana!

Spain is the third largest wine producer in the world, has a history of wine making dating back to the Phoenicians and its vineyards are packed with native grape varieties that offer great flavours that are often unique to Spain. The huge range of Spanish wine also offers great value for money as it's possible to find classics such as Rioja and Sherry at good prices compared to their French and Italian equivalents while many of the emerging Spanish wines offer exceptional quality for the price. Our **Y viva Espania** tasting will showcase some of our favourite wines in the Bacchus Beyond range including our bright & zingy Katxiña Txakoli, fresh & full Rioja rosé, deep & mellow Clea Crianza, and dark & spicy Mas Del Frares Priorat. Come and join us and **Y viva Espana!!**
